

Join us for the Annual SLO Gym Fest Beach Party at Port Beach Just past Avila Beach.

Date: Saturday – October 13, 2018

Time: 6pm- Whenever you want to leave! *(We will be packing up fun activities by 9:30pm)*

Directions: Located off the 101 freeway (a few miles south of San Luis Obispo).

Just take Avila Beach Exit and turn Right. Follow the signs to Avila Beach, continue to drive past Avila Beach to the next beach called Port Beach, you will see the ramp down to the beach on your left. Park anywhere you can along the street and look for SLO Gym Fest Beach Signs!

All families, coaches, and athletes competing are welcome! Join us for an evening of FUN at the beach and enjoy the beautiful coast! Alcohol is not permitted on the beach (FYI).

Bonfire Pits: Port San Luis Harbor Patrol regulates these fire pits. Currently the fire pits are in place, so we are planning on having a Beach Bonfire that will begin around 6 pm. Session 2 on Saturday will run into this event, but please join us after awards, it's only 10-15 minutes from our gym. Grab dinner and come on out. It will be worth it!

Here is the latest: Bonfires are allowed only on Olde Port Beach in District fire rings, which are generally available mid-spring through mid-fall depending on current conditions. NO OUTSIDE FIRE RINGS MAY BE USED. Fire rings are on a first-come, first-served basis and are not able to be reserved. CCG will have two staff members reserving a fire ring for us earlier in the day.

Make sure to bring warm clothes, beach fun, and chairs to relax in!
CCG staff and families will provide pre-packaged smores, fun beach activities, and a relaxing evening. We will have some smore sticks, you can bring your own as well!

Call us at CCG with any questions at (805) 549-8408
If it rains or weather is bad, no beach party will be held. This will be posted.
