

## CCG has a few updates to tell you about.....

For over 34 years, Central Coast Gymnastics Sports Center has been dedicated to providing our customers with exceptional service, a safe environment, a well-trained and enthusiastic staff, and a truly inspiring facility for you and your family. To ensure we continue to maintain the highest quality standards, we will be making some necessary adjustments to the tuition rates starting in February 2026.

**We deeply appreciate every one of our customers, and we are truly honored by your unwavering support of our programs, employees, and business over the past 34 years. Your trust inspires us to continuously strive for excellence. Thank you for being a part of our journey.**

## We strive to provide the BEST.

As we continue to strive to provide the best possible services, maintaining quality customer service is essential for effective communication with our families. To reduce the time spent processing individual payments at our facilities, we encourage customers who have not yet enrolled in our Automatic Payment Program (Auto Pay) to do so now.

If you are currently enrolled, you can sign up for Auto Pay through your CCG Parent Portal. The process is simple and can be completed by visiting [www.iflipforCCG.com](http://www.iflipforCCG.com). By collecting payments through Auto Pay, our office staff can dedicate more time to meet the individual needs of our families and their children/athletes.

The online portal provides easy access to your family's account, allowing you to update information such as your credit card at your convenience. Additionally, Auto Pay helps CCG reduce in-person contact for collecting monthly tuition and minimizes paper usage by eliminating most paper receipts and the high volume of individual transactions.

If you are not yet on Auto Pay, we would like to share the many benefits of this program. We are confident that you will appreciate the savings it offers, as well as the convenience of accessing your account through our Parent Portal with CCG.

Please give our office a call (805)549-8408 or email [info@iflipforCCG.com](mailto:info@iflipforCCG.com) to learn more and get access to both features.

**Just a reminder** that all payments are due on or before the 1st of each month to avoid the \$15 late fee per child.

### Benefits of being on Autopay at CCG include

- o Save \$5 every month on tuition. Which will save you \$60 annually.
- o No more late fees to worry about. Payment is always on time (Late fee is \$15 per child monthly after the 1<sup>st</sup>)
- o Auto Pay is easy to enroll in or if you want to dis-enroll, just give us (15) Day advance notice in writing, by the 15<sup>th</sup> of the month before auto payments run on the 20<sup>th</sup> for next month's tuition.
- o No more standing in line at the office, trying to remember to pay, or calling us at the last minute to pay, it's stress-free!
- o It is easy to get started, just go to [www.iflipforCCG.com](http://www.iflipforCCG.com) and click on the oval button.

We understand that times are challenging, and it's with careful consideration that we address the rising costs associated with inflation and essential expenses. This includes the mandatory \$0.40 minimum wage increase, along with increases in insurance rates, utilities, monthly maintenance, repairs, upgrades, and the purchase of new equipment. As a result, we will be adjusting our preschool, recreational, developmental, and competitive tuition rates by 4% for February 2026.

We want to share a new update coming up very soon with our CCG Software, as we are in the process of switching from the Class Juggler Software program to a new software called iClass Pro. We are very excited to provide better customer access and ease of use to all our CCG customers.....more details coming very soon.

Please know that CCG is diligently conducting account audits to ensure the accuracy of our accounts, and we are committed to supporting our families during these times. Thank you for your understanding and continued support.

**If you have any questions regarding these changes, please do not hesitate to contact our office.**
