COVID-19 INFORMATION

CCG's #1 priority is safety for all of our families and staff. We will continue to follow guidelines provided by the CDC, the State of California, and SLO County. We have made changes to our facilities, procedures and the children-to-staff ratios

What CCG is doing to keep all campers & athletes safe:

- All adults and children ages 4 and up, entering the facility for camp must wear a mask, no exceptions.
- All staff and campers will wash hands and use sanitizer often.
- Employees are constantly cleaning/disinfecting between events, activities, and classes.
- Children will be eating lunch outside from 12-12:30 pm for Full Day campers. Please pack a lunch for your child and have them bring a water bottle with their name on it. We are not allowed to drink from the water fountains.
- Please send your camper with a backpack so they can keep all their belongings in their bag.
- CCG is unable to provide snacks/food at this time. Please plan to send your camper to CCG with a full tummy! Lunch is from 12-12:30 pm (Outside)

Check-in/Check-out Protocols at CCG:

- All campers will check in/out at our main entrance in Gym 1. Please wait outside on a social distancing marker for a staff member to assist you.
- A CCG Staff member will do a quick verbal health check with you and your campers before entry.
- We ask all adults dropping off/picking up and campers to wear a mask outside.
- We ask that adults not enter the facility unless necessary. Children ages 4 - 5 years may have (1) adult with them inside (please no siblings). Seating is very limited due to physical distancing.
- CCG will bring your camper with their mask on outside to you at pick up. Please wait outside on the social distance markers.

If you, or anyone in your household, has had any symptoms of Covid-19 in the past 72 hours, we ask that you please not attend. Please visit our website for the most recent CDC list of Covid-19 symptoms.

We thank you for your flexibility in keeping all of our campers and families safe.
