COVID-19 INFORMATION

CCG's #1 priority is safety for all of our families and staff. We will continue to follow guidelines provided by the CDC, the State of California, and SLO County. We have made changes to our facilities, procedures and the children-to-staff ratios

What CCG is doing to keep all campers & athletes safe:

- All adults (or children ages 16+) entering the facility must wear a mask, no exceptions.
- All staff and campers will wash hands often.
- Employees are constantly cleaning/disinfecting between events.
- Children will be eating outside. Please pack a lunch for your child.
- CCG is unable to provide snacks/food at this time. Please plan to send your camper to CCG with a full tummy!

Check-in/Check-out Protocols at CCG:

- All campers will check in/out at our main entrance in Gym 1. Please wait outside for a staff member to assist you.
- A CCG Staff member will do a quick verbal health check with you and your campers before entry.
- We ask all adults dropping off/picking up to wear a mask.
- We ask that adults not enter the facility unless necessary. Children ages 3.5 - 5years may have (1) adult with them inside (please no siblings). Seating is very limited due to physical distancing.\
- CCG will bring your camper outside to you at pick up. Please wait outside.

If you, or anyone in your household, has had any symptoms of Covid-19 in the past 72 hours, we ask that you please not attend. Please visit our website for the most recent CDC list of Covid-19 symptoms.

We thank you for your flexibility in keeping all of our campers and families safe.
